*BRINGING LEGENDS TO LIFE*

## EDUCATION FIRST

**WHAT WE LEARN WITH PLEASURE WE NEVER FORGET.  
- ALFRED MERCIER**

We are striving to make History immersive, comprehensive, and exciting for the whole family as we bring the past to life while showcasing our unique Demos, Vendors, Entertainers, and Food here on the Gulf Coast.

- We are hosting some of the best period authentic vendors on the East Coast.
- Live music will be featured all over our fairgrounds as a way of enjoying the various cultures we will be featuring. From Classic English Bards and traveling minstrels to Celtic Rock and Bagpipe Bands we will have something for everyone.
- History doesn't get much more fun than a festival wide Epic Dragon Quest, a Tea Party with a princess, and a kid friendly Highland Games for your baby berserkers and knights-in-training.
- We will be featuring Live Demos in our Towne Squares that will help explain why things were done the way they were, while helping to answer questions that everyone has in regards to woodworking, armor making, smithy's, and gardening to name a few. By understanding what our ancestors dealt with in day to day life we help set a foundation for learning history that our educators can build on.
